PERSONAL STATEMENT

I am a 22 years old Web Developer,a ComputerScience undergraduate from Abia state (Nigeria), currently based in Abuja.I love everything that has to do with Web developmeant.
I have 9 months of experience working as a web developer and I am ready to work for any company! and am also opened to internships. I love working with people,specially if they have the same passion I have for what they do.
If am well paid I can learn and do anything.
